Leotie, Mamid,
Mimiteh, Nayeli,
Orenda, Satinka,
Tadewi, Wakanda

AMITOLA STARS

Phalaenopsis stuartiana
Clone Assortment

"Somewhere over the rainbow..."

Feeling the invincible power
of Amazones: wild and strong,
but fine and beautiful.

Phalaenopsis stuartiana
"Amitola Stars" –
white tigered with yellow to
intense red lip, multi blooming,
glossy leaves,
a lot of spikes, branching,
programmable, longevity.
